

PARENT CHAMPIONS

Get involved in the Parent Champion Programme!

The Parent Champion Programme is a peer-led service delivered by parents for parents.

Could you benefit from friendly support? Is your child facing the school exclusion process or criminal justice system? Do you need more information on how to best support them?

Willing to support another parent? Could you provide a listening ear and word of encouragement to another parent? Would you be willing to be a trained Parent Champion?

Become a Parent Champion

Parent Champion Training:

- 5 week online course
- Every Thursday 7:00PM – 9:00PM
